## **Leon County Division of Tourism/Visit Tallahassee Sports Events Grant Program**

### **I. INTRODUCTION AND DEFINITIONS**

The Leon County Tourist Development Council (TDC) was created pursuant to the State of Florida Local Option Tourist Development Act and Leon County Ordinance #88-01. The TDC administers funds collected from a local option tourist development tax (TDT) on transient lodging sales, i.e. hotels/motels, campgrounds and condominiums. The funds are designated to promote Tallahassee/Leon County as a preferred visitor destination for: meetings and conventions, group leisure travel, special events, cultural activities and amateur sporting events.

The definition of an “event” per section 125.0104, Florida Statutes; to be an authorized use of Tourist Development Tax revenue, an event “shall have as one of its main purposes the attraction of tourists as evidenced by the promotion of the activity or event to tourists.” By statute, a tourist is “a person who participates in trade or recreation activities outside of the county of his or her residence, or who rents transient accommodations including any living quarters or accommodations in any hotel, motel, resort motel, apartment, apartment hotel, rooming house, mobile home park, recreational vehicle park, condominium or timeshare resort for a term of 6 months or less.”

The Leon County Division of Tourism annually allocates funds to five separate grant programs for local groups and organizations that coordinate events with a demonstrated history of or significant potential to draw visitors to the area. The Sports Event Grant program is administered by the Tallahassee Sports Council and approved by the TDC. There is a separate grant program for Special Events approved by the TDC. Legacy and Signature Event/Emerging Signature Event Grants are for festivals and events that can demonstrate the potential to bring a significant number of room nights to the community. Legacy Event grants are approved by the TDC and the Leon County Board of County Commissioners. Signature Event Grants are also reviewed by the Grant Review Committee and presented to the TDC for approval. The Grant Review Committee is made up of TDC members and may also include tourism and hospitality leaders and marketing professionals.

The Leon County Division of Tourism grant programs are funded by the Tourist Development Tax (TDT) which is generated from hotel room nights and designed to draw visitors to Tallahassee/Leon County. Grant programs administered by the Council on Culture & Arts (COCA) are also funded by TDT revenue and are designed to support year-round arts and culture programming.

A Sports Event is defined as a new or existing sporting event, exhibition, competition, team training, conference or celebration which is conducted according to a prearranged schedule and of interest to the general public. For the

purpose of this grant program, the public interest should extend to Tallahassee/Leon County residents and to those living outside Tallahassee/Leon County who would visit the destination and stay overnight to observe or participate.

Each application will be evaluated against established criteria and historic precedent. The number and extent of these grants will depend upon the availability of designated funds and specific allocations. Ideally, the funds allocated by the TDC will eventually be returned through increased in transient lodging sales resulting from these special events and the tourist development tax generated from those sales.

## II. STATEMENT OF POLICIES

- A. Grant funds are intended to supplement the organization's budget for the event referenced in the grant application.
- B. Applicant must provide a statement of sustainability and growth for the event (i.e. How do you define success for the event and what is your long-term plan to sustain and grow the event over the next five years?).
- C. **NEW FOR FY2021: Applicant must provide an event public health and safety plan. The event must comply with allowable crowd size and public gathering regulations as outlined by state and local government. The event plan must demonstrate appropriate social distancing and hygiene practices consistent with CDC guidance, including the use of masks. - G. Grant applications will only be received during the advertised cycle. One application will be accepted per event, per fiscal year, with the exception of a once-a-year event that may coincidentally occur within the same fiscal year due to scheduling. An example would be an early October event that is scheduled for late September the following fall, both occurring the same fiscal year. Applicants receiving grant funds from the Council on Culture & Arts (COCA) may not receive grant funding for the same event through the TDC. Applicants may make requests to the TDC and COCA, but these must be for a different event or activity.
- H. Events will not be considered for funding if the event occurs during peak

visitor periods. Peak visitor periods are generally defined as FSU home football game weekends in the fall semester, FAMU homecoming weekend, FSU or FAMU graduation weekends, and Monday through Thursday during the state legislative session.

- I. If the requested grant amount exceeds \$10,000, applicant's budget must reflect at least a 25% dollar-for-dollar match (in-kind services will not be allowed). Applicants will be required to identify the amount of matching funds in the event budget submitted and the amount must be verified and sourced in the Post-Event Report. The grant award amount may be reduced for the next cycle proportionately to the shortfall of funds raised if the 25% matching funds were not received.
- J. Funding shall be provided as reimbursement for approved actual expenditures upon completion of the event. Proof of payment must be provided. Proof of payment may be submitted in the form of a vendor receipt and a front and back copy of cleared check, bank statement, or credit card receipt or statement. Cash receipts can be accepted for reimbursements; however, using a check or credit card is preferred. Written confirmation from vendor that expenditure has been paid in full is necessary if only a copy of the front of the cleared check is provided.'
- K. **NEW FOR FY2021: If an event must be cancelled, event organizers are required to make that determination at least 75 days prior to the event's originally scheduled date. Tourism will only reimburse for allowable expenses incurred before 75 days prior to the original event date. Any expenses incurred after that date will not be reimbursed.**
- L. If an event needs to be rescheduled, the new dates must be between October 1 and September 30 of the current fiscal year to be eligible for reimbursement.
- M. To be eligible for payment, a completed Post-Event Report must be submitted. The report must include tracking statistics regarding out-of-town visitors and their use of transient lodging facilities and occupancy. Failure to submit a complete Post-Event Report will result in disqualification for support. Requests for reimbursement must be received by September 30.
- N. Any funds granted will be subject to audit by the Leon County Auditor.
- O. Indemnification: By submitting this Grant application, the applicant agrees that upon final approval of the Grant the applicant shall indemnify Leon County, Florida, a charter county and political subdivision of the State of Florida (the "County"), to the extent provided as follows:

2. If the applicant is a governmental entity or other such organization to which the protection of sovereign immunity is applicable, the indemnification requirements set forth in subparagraph (1) above shall apply to such applicant only to the extent as allowed in Section 768.28, Florida Statutes, and nothing herein shall be deemed to be a waiver of such applicant's sovereign immunity beyond those statutory limits as provided therein.
3. If the event for which the Grant was approved is to take place on property owned by the County and/or is sponsored by the County, the applicant shall, in addition to these indemnification requirements, be required to provide to the County a certificate of insurance showing that that the applicant has procured insurance against claims for injuries to persons or damages to property which may arise from, or in connection with, the performance by the applicant, its employees, volunteers, subcontractors, employees of subcontractors, or clientele, of this event for which the Grant was approved, in the minimum coverage and amounts as follows, and that the County has been named as an additional insured:

The final funding recommendation will be based on the Grant Review Committee's discretion and the funding available. As an example, if the Committee believes the event has overstated the potential room nights, the Committee has the authority to place the application in a lower funding category.**

## **VI. AN “EMERGING SIGNATURE EVENT” IS:**

When an existing event meets the definition of a Signature Event, yet only estimates generating between 1,250 – 1,499 room nights, and historically generates near that amount, the event may apply to be considered to be designated as an “Emerging Signature Event” - that may be eligible for increased funding and marketing support from the Leon County Division of Tourism /Visit Tallahassee.

An Emerging Signature Event is an existing event with a record of growing attendance and room nights that is interested, willing and able to grow their event to generate at least 1,500 room nights.

Organizations must be willing to work with Leon County Division of Tourism /Visit Tallahassee staff to identify event enhancements and marketing opportunities to transition to signature event grant status and funding levels.

Organizations must be able to identify and document what new features or aspects will be added to help grow the event, i.e. add another day of activities or add a concert with headlining act(s), etc. in their grant application.

Organizations must also agree and allow Leon County Division of Tourism /Visit Tallahassee’s Research firm of record to conduct an economic impact study of the event to substantiate/verify the event generated at or around 1,250 room nights. If the initial study indicates the room nights generated did not reach 1,250 target for room nights, the organization will move back into the Special Event grant program for one year before they may reapply for the “Emerging Signature Event” status again.

An Emerging Signature Event will not be considered for funding if the event occurs during peak visitor periods. Peak visitor periods are generally defined as FSU home football game weekends in the fall semester, FAMU homecoming weekend, FSU or FAMU graduation weekends, and Monday through Thursday during the state legislative session.

Emerging Signature events must meet community standards and align with the County’s tourism marketing objectives and positioning.

Emerging Signature events should not receive support from County general revenue through the BOCC or the Council on Culture & Arts (COCA) with the exception of in-kind support. No other funds from the BOCC can be used for the match requirement.

## VIII. VISITOR TRACKING

To assess the impact of each event on the Tallahassee/Leon County transient lodging industry, the TDC emphasizes the importance of tracking the number of overnight visitors attending the event.

- Room block reports from hotels are the preferred method of reporting room data. This information will be used to help track the number of visitors attending the event. Furthermore, this information helps determine the growth of a particular event. Subsequently, an event's growth can impact the future funding level of the grant awarded to the organization.
- If your event uses an advanced registration procedure, utilize the **Visitor Tracking Form** to gather the requested information. Each participant/group should sign his or her name, hotel in which they are residing, number of rooms secured, number of days, and the number of guests staying in each room.
- If either of the above (advanced registration or hotel room blocks) is not used, a third option requires 100 completed five-question surveys of event attendees. The Division of Tourism will provide questions and assist with analysis.

The County reserves the right to conduct a post-audit of information presented on the **Post-Event Report**. All lodging accommodations listed will be contacted to confirm the number of room nights generated for the event. **ANY MISLEADING OR FALSE INFORMATION PRESENTED CAN AND WILL ADVERSELY AFFECT FUTURE GRANT AWARDS.**

## **IX. POST EVENT REPORT**

It is the responsibility of the event organizer to provide post event information including:

- A. An invoice from the awarded organization to the Leon County Division of Tourism/Visit Tallahassee for payment of the awarded grant amount. This invoice must have an invoice number.
