**Leon County Division of Tourism/Visit Tallahassee  
Special Events Grant Program**

**I. INTRODUCTION**

The Leon Country Tourist Development Council (TDC) was created pursuant to the State of Florida Local Option Tourist Development Act and Leon County Ordinance #88-01. The TDC administers funds collected from a local option tourist development tax (TDT) on transient lodging sales. i.e. hotels/motels, and condominiums. The funds are designated to promote Tallahassee/Leon County as a preferred visitor destination for meetings and conventions, group leisure travel, special events, cultural activities and amateur sporting events.

Grant funding is based upon the potential to generate room nights. Per section 125.0104 of the Florida Statutes, to be an authorized use of Tourist Development Tax revenue an event “shall have as one of its main purposes the attraction of tourists as evidenced by the promotion of the activity, service, venue or event to tourists.” By Statute, a tourist is a “person who participates in trade or recreation activities outside of the county of his or her permanent residence, or who rents or leases transient accommodations including any living quarters or accommodations in any hotel, motel, apartment motel, resort motel, apartment, apartment hotel, rooming house, mobile home park, recreational vehicle park, condominium or timeshare resort for a term of 6 months or less.” By Statute, “Promotion” means marketing or advertising designed to increase tourist-related business activities.

A “Special Event” is defined as “a new or existing organized concert, exhibition, festival, fair, conference or celebration which is conducted according to a prearranged schedule and of interest to the general public. For the purpose of this grant program, the public interest should extend to Tallahassee/Leon County residents and to those living outside Tallahassee/Leon County who would visit the destination and stay overnight to observe or participate.

The Leon County Division of Tourism annually allocates funds to four separate grant programs for local groups and organizations that coordinate events with a demonstrated history of or significant potential to draw visitors to the area. The Special Events Grants and Signature/Emerging Signature Grants are reviewed by the TDC Grant Review Committee and Sports Events Grants are reviewed by the Tallahassee Sports Council (TSC). The TDC Grant Review Committee is comprised of TDC members which may include tourism and hospitality leaders and marketing professionals. Legacy Event grants are approved by the TDC and the Leon County Board of County Commissioners (BOCC). Legacy and Signature/Emerging Signature Event Grants are for festivals and events that demonstrate the potential to bring a significant number of room nights and economic impact to the community.

The Leon County Division of Tourism grants programs are funded by the Tourist Development Tax (TDT). Grant programs administered by the Council on Culture & Arts (COCA) are also funded by TDT revenue and are designed to support year-round arts and culture programming.

Each application will be evaluated against established criteria and historic precedent. The amount of grant funds awarded will depend upon the availability of designated funds and specific allocations. Ideally, the funds allocated by the TDC will eventually be returned through increased transient lodging sales resulting from these special events and the tourist development tax generated from those sales.

## II. STATEMENT OF POLICIES

- A. Grant funds are intended to supplement the organization’s budget for the event referenced in the application.

**IV. FUNDING ELIGIBILITY**

The intent of the Special Event Grant Program is to provide funding assistance for events that attract overnight visitors to Tallahassee/Leon County and create business for the commercial lodging industry, (hotels/motels, condominiums, short-term vacation rentals), as well as restaurants, retail establishments and other tourism related business activities. In addition to being compliant with F.S. 125.0104 the following criteria have been established to be considered for funding:

- A. Each application must include a signed Certification and Compliance page.
- B. Event must take place between October 1 and September 30 of the upcoming fiscal year.
- C. The event must have the potential to bring-out-of-town visitors that use commercial lodging establishments in Tallahassee/Leon County.
- D. Applicant must provide a marketing/promotional plan that demonstrates out-of-market advertising/promotion to reach potential visitors.
- E. Applicant must provide a detailed event budget.

**V. GUIDELINES FOR GRANT REQUEST FUNDING LEVELS**

The following table reflects the funding level possible based on the event’s estimated number of hotel room nights. **The estimated number of hotel room does not guarantee the level of funding at which the event may be approved. The final funding recommendation will be based on the Review Committee’s discretion and the funding available. As an example, if the Grant Review Committee believes the event has overstated the potential room nights, the Committee has the authority to place the application in a lower funding category.**

Room Nights	Recommended Tourism Special Event Funding Levels
Less than 100	\$0 - \$1,499
100 – 199	\$1,500 - \$2,999
200 – 499	\$3,000 - \$5,999
500 – 1,000	\$6,000 - \$9,999
1,001 – 1,499	\$10,000 - \$14,999

The following formula will be used to determine the final grant amounts:

- A. The average score of the panel will be determined for each application based on the maximum of 100 points as outlined in the grant review scoresheet on page 8.
- B. Applications scoring above the minimum threshold of 70% will be considered for funding based on the formula outlined below.

- C. The average score for each application will first be converted into a percentage of the 100 maximum points possible. As an example, if Application #1 scored 90, the percentage for Application #1 would be 90%.
- D. The grant requested amount will then be multiplied by the percentage to determine the initial award based on the grant review scoresheet. As an example, if Application #1 scored 90% and requested \$5,000, the initial award would be \$4,500.
- E. The same process will be followed for each application and the total initial awards will be totaled.
- F. If the total amount of grant allocations exceeds the total budgeted for all grants, staff will adjust all of the allocations by the same percentage to keep the totals awarded equal to or less than the total available grant funds.
- G. Adjustments may be made if necessary, to reach the total amount in the budget.
- H. The TDC Grant Review Committee reserves the right to adjust the minimum threshold, if necessary, to ensure funding for the highest scoring applications.

**VI. SPECIAL EVENT ANNUAL GRANT TIMELINE**

**July 14** - Grant Application Cycle Opens (29-day cycle 7/14/22-8/12/22)

**July -August** – Mandatory Grant Application Workshops

**August 12** – Application cycle closes

**Applicants are required to attend at least one Grant Application Workshop either in person or online.**

It is strongly encouraged that applicants be in attendance or send a representative to the Grant Review Committee meeting in case there are questions or clarifications.

**VII. VISITOR TRACKING**

- A. To assess the impact of each event on the Tallahassee/Leon County transient lodging industry, the TDC emphasizes the importance of tracking the number of overnight visitors attending the event.
  - 1. Room block reports from hotels are the preferred method of reporting room data. The information will be used to help track the number of visitors attending the event. Furthermore, this information helps determine the growth of a

particular event. Subsequently, an event’s growth can impact the future funding level of the grant awarded to the organization.

2. If your event uses an advanced registration procedure, utilize the **Visitor Tracking Form** to gather the requested information. Each participant/group should sign his or her name, hotel in which they are residing, number of rooms secured, number of days, and the number of guests staying in each room.
  3. If either of the above (advanced registration or hotel room blocks) is not used, a third option requires 100 completed five-question surveys of event attendees. Tourism will provide questions and assist with analysis.
- B. The County reserves the right to conduct a post-audit of information presented on the **Post-Event Report**. All lodging accommodations listed will be contacted to confirm the number of room nights generated for the event. **ANY MISLEADING OR FALSE INFORMATION PRESENTED CAN AND WILL ADVERSLEY AFFECT FUTURE GRANT AWARDS.**

#### **VIII. POST EVENT REPORT**

It is the responsibility of the grant organizer to provide post event information including:

- A. An invoice from the awarded organization to the Leon County Division of Tourism/Visit Tallahassee for payment of the awarded grant amount. This invoice must have an invoice number.
